

Navigate Item Bank

The leading formative assessment item bank is flexible, dynamic, and designed to impact student success.

To help educators assess students' understanding of concepts and track standards mastery, Certica provides the Navigate Item Bank™ – formerly the Formative Assessment Item Bank™ – designed to guide instruction at the district and classroom levels. Navigate is the dynamic item bank now developed and curated by Certica and formerly by NWEA and ETS. Over 88,000 standards-based items are available with Navigate, as well as pre-built assessments that allow educators to quickly measure student performance.

THE LEADERS IN ITEM QUALITY

Certica's rigorous, multi-step item development process is a proven method for developing and maintaining items of the highest quality.

- The development process includes experienced item writers, subject matter experts and content editors who adhere to industry best practices and follow the principles of universal design.
- Stringent item writing guidelines.
- Items are written and/or aligned to the most appropriate standards.
- Quality checks built into each step of the process.
- A minimum of five rounds of review per item for style, consistency, grammar, accuracy, bias and sensitivity.

Innovative items and the most up-to-date standard alignments, curated by Certica's team of subject-matter experts.

NAVIGATE BY THE NUMBERS:

NAVIGATE PROGRESS CHECKS

Navigate Progress Checks™ are pre-built assessments that allow educators to quickly measure student performance relative to a standard or set of standards. To support effective formative assessment, Progress Checks are designed to be flexible and modular, and fit the specific needs of those closest to instruction. Educators can modify, add, remove or replace items on Progress Checks, as well as combine any number of Progress Checks to create longer, more in-depth assessments. Progress Checks are organized at the standard or cluster level, which allows educators to focus assessment to the level of a single standard. Available in Mathematics and ELA for grades 9-12.

- Aligned to the national Common Core State Standards
- Organized at the standard and cluster level
- Each Progress Check is comprised of 8-12 items, including multiple choice and technology-enhanced items
- Each Progress Check typically takes 15-25 minutes to administer
